### IGMA Dues Rate as of June 1, 2016

The following dues options are in effect beginning June 1, 2016 for new and renewing members. Because of high IGMA international postage and customs costs, we are offering dues discounts to international members who would like to receive communications by email. A link to a pdf file in Dropbox will be emailed to members who choose this option. It is not necessary to join or download software for Dropbox. Thank you for considering this money-saving, environment-conscious option!
